### Why you should vote for me:

I want the job! Currently <sup>Serving</sup> as Secretary for the Board of Directors you can go on line and look at my minutes since April. I try to make sure that as you read the minutes you have an idea of what happened and what was said. I feel that as members, you have the right to know who made motions and who supported the motion. I believe in the minutes being as transparent and accurate as possible. ( There have been no corrections to my minutes since I took over the position.

Most of all, if elected, I will continue to work toward and vote in the best interest of the membership as a whole, and continue to try and make OUR Association one that you're proud to be a member of.
