## **Awards and Recognitions**

**REALTOR® of the Year:** Each year, the Association selects a REALTOR® of the year. This award stands for integrity, individual achievement and perhaps the greatest compliment: recognition from peers in the real estate industry. The recipient is a REALTOR® member selected on the basis of advocating and expanding the interest of fellow REALTORS®, their profession, and the real estate community at large; demonstrating outstanding work to the general public; displaying a leadership position among peers and fostering a spirit of camaraderie between REALTORS®. The committee shall first consider a nominee's activities during the current year. In the event that several nominees seem equally qualified in most reasonable respects, prior year's efforts, affiliations and rewards shall be considered so as to further narrow the field.

**Affiliate of the Year:** Each year, the Association selects an Affiliate of the Year. The recipient may be either an individual or a company that is an Affiliate member of the Association. The Recipient shall be selected on the basis of service to the Association, service to the real estate industry, and service to the community.

The following are not established as annual awards, but special awards bestowed upon special individuals:

**George D. Noch Leadership Award** is presented to individuals who have shown exceptional leadership abilities, not just doing a "good job", but rather a "great job". This special award was not established as an annual award, but a special award bestowed upon a special individual, with "leadership" being of major consideration, and should be given only when the individual, regardless of type of membership, has excelled in both participation and performance of service to the Association. Receiving the award shall not prevent the recipient from receiving it again in following years.

**Distinguished Service Award** is awarded to REALTOR® Members who have exhibited exemplary service to the Association over a number of years.

**Community Leadership Award** is awarded to REALTOR® Members who have demonstrated commitment to serving his/her local communities.

**Rising Star Award** is awarded to REALTOR® Members with less than 3 years of licensed real estate experience (as of December 1<sup>st</sup> of the year of the award). Recipient must have displayed Association involvement, outstanding sales production and professionalism.
